

UNITED STATES MARINE CORPS  
MARINE CORPS AIR STATION  
BEAUFORT, SOUTH CAROLINA 29904-5001

IN REPLY REFER TO:  
ASO 5090.10A  
NREAO  
3 Aug 21

AIR STATION ORDER 5090.10A

From: Commanding Officer  
To: Distribution List

Subj: HUNTING, FISHING, AND BOATING REGULATIONS FOR MARINE CORPS AIR STATION  
BEAUFORT AND THE LAUREL BAY HOUSING AREA

Ref: (a) South Carolina Department of Natural Resources Hunting and Fishing  
Regulations  
(b) South Carolina Department of Natural Resources Boating Regulations  
(c) MCO 5500.6G W/ CH 1  
(d) MCO P5090.4A  
(e) ASO 5500.10B  
(f) ASO 10570.1D  
(g) MCIEAST-MCB CAMLEJO 5090.115A

1. Situation. Hunting, fishing, and boating are commonly practiced recreational activities in the state of South Carolina and the United States. State regulations outlined in references (a) and (b) establish authorized methods and requirements for their conduct. These activities allow for the population control of certain species aboard Marine Corps Air Station (MCAS) Beaufort.

2. Cancellation. ASO 5090.10.

3. Mission. To establish regulations governing hunting, fishing, and boating aboard MCAS Beaufort and the Laurel Bay Housing Area.

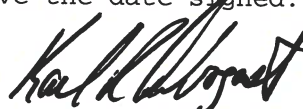

4. Execution. All personnel, military and civilian, shall comply with the regulations contained in this Order.

5. Administration and Logistics. Changes to this Order shall be submitted to the Natural Resources Environmental Affairs Office (NREAO) via the appropriate chain of command.

6. Command and Signal

a. Command. This Order is applicable to all hands aboard MCAS Beaufort.

b. Signal. This Order is effective the date signed.

  
K. R. ARBOGAST

## Chapter 1

### General Information

1. Application of Regulations. The regulations in this document are provided for MCAS Beaufort and the Laurel Bay Housing Area.

2. Enforcement of Regulations. The Game Warden and the Provost Marshal's Office (PMO) will enforce hunting, fishing, and boating regulations and manage the issuance of hunting permits. Violator's base permits/game permits will be confiscated and privileges suspended until each case is resolved. The Game Warden and the PMO will review each violation and make disciplinary recommendations to the Command (Appendix A).

3. Personnel Authorized to Hunt, Fish, and Boat Aboard the Air Station and Laurel Bay. The following categories of personnel specified in this paragraph are authorized to hunt, fish, or boat within the boundaries of the Air Station. Persons under the age of 16 must be accompanied by a licensed adult who is authorized by this paragraph to hunt, fish, or boat. All requests for exceptions will be submitted in writing to the Game Warden for approval. Authorized personnel include:

- a. Active duty and retired military personnel and their dependents.
- b. Civilian Government and retired employees and their dependents.
- c. Sponsored guests of personnel authorized to hunt, fish, or boat. Members who are sponsoring guests are responsible for the conduct of their guests at all times. Sponsored guests must attend a hunter safety brief conducted by the Game Warden prior to hunting aboard the Air Station.

#### 4. Licensing

a. All persons 16 years of age and older hunting or fishing aboard the Air Station shall carry an MCAS Beaufort hunting permit, a valid South Carolina hunting license, a big game permit (if applicable), and have attended the hunter safety brief given by the Game Warden or other individuals designated in writing by the Game Warden. If fishing, only a South Carolina freshwater or recreational saltwater fishing license is required.

b. All persons under 16 years of age must attend the hunter safety brief and be accompanied by a licensed parent or guardian to hunt. To fish aboard MCAS Beaufort or Laurel Bay, persons under 16 years of age must be accompanied by a licensed adult 18 years of age or older. No State hunting or fishing license is required if under 16 years of age.

c. MCAS Beaufort hunting permits are valid until 30 June of each year. All permits shall be requested utilizing Appendix B. All hunting permits are free to authorized personnel and can only be obtained from the Game Warden.

d. Prior to the issuance of a hunting permit, each applicant shall present applicable State licenses and appropriate identification.

e. Civilian and military dependent applicants shall execute a Certificate of Release of the Government (Appendix C) releasing the Government from all responsibility in case of accident or injury while hunting. A parent or legal guardian shall complete the certificate for applicants under the age of 18.

f. Each applicant shall certify familiarity with applicable current Federal, State, and Air Station regulations by completing a Certificate of Understanding (Appendix D).

g. Each applicant shall present evidence of having attended a hunter safety brief sponsored by the Game Warden during the current hunting season by maintaining their base hunting permit on their person at all times. Hunter safety briefs will be held at a location, time and date designated by the Game Warden prior to the hunting season.

h. Each applicant shall present evidence of having registered all firearms/weapons used for hunting with the Pass and Identification Clerk in accordance with reference (e). Only weapons used for hunting will be on the application for a permit. If a new weapon is purchased at a later date for hunting, it is the hunter's responsibility to have the weapon added to the hunting application, which is held on file by the Game Warden. When a hunter borrows a weapon to hunt with aboard the Air Station, there must be a letter from the owner stating that the weapon is borrowed along with a copy of the owner's firearms/weapons registration. The letter must also include the firearm/weapon owner's contact information.

i. Persons convicted of, or against whom official administrative action has or is being taken for, offense(s) involving use of drugs or alcohol (to include driving under the influence or while intoxicated) shall have all hunting privileges revoked. Privileges will not be reinstated unless Installation drug/alcohol treatment/rehabilitation authorities consider the individual sufficiently rehabilitated and no longer a safety risk.

5. Control and Treatment of Pets and Wildlife. All dogs used for hunting aboard MCAS Beaufort shall either be leashed or outfitted with electronic tracking collars. Dogs are not authorized to hunt big or small game during deer season from one hour before sunrise to one hour after sunset.

#### 6. Miscellaneous

a. Feeding, molesting, or trapping wildlife is strictly prohibited. Baiting for deer hunting is permitted in all hunting areas. No food plot mixture will be distributed unless approved by the Game Warden. Trapping of wildlife aboard MCAS Beaufort or the Laurel Bay Housing Area is only authorized by persons designated by the Game Warden or Commanding Officer (CO) while in the performance of their assigned duties.

b. Only portable tree stands and ground blinds are authorized and must be removed at the conclusion of each day's hunt. All personnel in a tree stand are required to use a safety harness. Unauthorized tree stands shall be reported immediately to the Game Warden for removal. Abandoned tree stands or ground blinds will be confiscated by the Game Warden and returned to the hunter after the conclusion of the hunting season.

c. All illegally or accidentally killed game (collision with motor vehicle, aircraft accident, poaching, etc.) shall be immediately turned over to the Game Warden. The Game Warden will be notified directly or via the PMO Desk Sergeant. In instances where deer are inadvertently killed as the result of collision with a motor vehicle, the owner of the vehicle may request to keep the animal. The disposition of all game killed illegally or accidentally shall be determined by the Game Warden.

d. All night hunting for small game (e.g., coyote and raccoon hunting) shall be approved by the Game Warden and the PMO.

e. The shining of hand-held lights, vehicle mounted lights, or spotlights upon deer or other game during the hours of darkness for hunting, observation, or harassing purposes is prohibited unless approved by the Game Warden.

f. Littering is prohibited. Hunters shall retrieve expended ammo casings and all other items not organic to the environment.

g. Four wheeling and off-road driving by any type of motor vehicle is prohibited. All vehicles shall be parked within 20 feet of a perimeter road. Driving off of an asphalt road or in a marked food plot at any time is prohibited.

h. Any person(s), unit, club, etc., desiring to use a designated hunting or unassigned area is required to submit a written request to the Game Warden and the PMO three working days prior to the date requested. The request will include the area to be reserved and points of contact. Mission essential use of an area is considered a priority.

i. Hunters must return hunting area passes to the PMO prior to reporting to work. No hunter will keep an area pass all day or overnight to secure an area to hunt at a later time.

## Chapter 2

### Conservation Law Enforcement Program

#### 1. Conservation Law Enforcement Program

a. The NREAO shall supervise the Conservation Law Enforcement Program as established by reference (d).

b. The Conservation Law Enforcement Program shall consist of a civilian Game Warden selected in accordance with reference (d).

c. The Game Warden shall be assisted in the performance of their law enforcement duties by other persons as may be approved by the PMO. These individuals shall be referred to as Deputy Game Wardens and shall be nominated by the PMO and approved by the Game Warden and the MCAS CO in writing. Deputy Game Wardens shall be active duty personnel assigned to PMO and selected on the basis of interest, maturity, and integrity.

d. The Game Warden shall be assisted in the performance of their non-law enforcement duties by such other persons as may be approved by the NREAO in writing. These individuals shall be referred to as Volunteer Game Wardens and can be active duty, retired, or civilian personnel. Volunteer Game Wardens shall be selected on the basis of interest, maturity, and integrity.

e. All personnel acting in the capacity of a Deputy or Volunteer Game Warden will be thoroughly familiar with the provisions of the references, Federal hunting regulations, and the contents of this Order. Deputy and Volunteer Game Wardens, while in performance of their duties, shall fall under direct control of the Game Warden. The duties as Deputy or Volunteer Game Warden will at no time conflict with normal work duties.

### Chapter 3

#### Hunting at MCAS

1. Hunting Areas. The following applies to hunting areas aboard the Air Station:

a. Prior to the PMO Desk Sergeant issuing a hunting area, the Desk Sergeant must ensure there are no conflicts with training activities. The Desk Sergeant shall check the daily Range Facility Management Support System (RFMSS) report for conflicts. The Game Warden will also coordinate with PMO to close hunting areas on an as needed basis to ensure safety. If the MCAS Pistol Range is in use, hunting area 12 may not be used. If the MCAS UTA is in use, hunting areas 11 C/D may not be used. If the Dig Pit and/or Land Navigation course is in use, hunting areas 9 A/B/C may not be used for hunting.

b. Each hunter must obtain a hunting area pass by personally appearing before the PMO Desk Sergeant. Hunters may check-out to a hunting area no earlier than one hour prior to sunrise and must check-in from the hunting area no later than one hour after sunset. Only one area may be checked out at a time.

c. If a hunter desires to change hunting areas, they must physically check-in the old area before checking-out the new area with the PMO Desk Sergeant.

d. Only one hunter may hunt an area at a time unless a secondary hunter or spectator checks-out in person, remains in the hunting area, and checks-in at the same time with the primary hunter.

e. Hunting areas and secondary roads leading to such areas are off-limits to privately owned vehicle traffic unless retrieving previously located deer. Hunters shall not enter any area in which troops are training.

f. Discharging a firearm, within 200 yards, across or towards an inhabited area, perimeter roads, aircraft runways, and aircraft parking ramps or taxiways is prohibited.

g. Hunters shall not hunt closer than 100 feet to any active runways, taxiways, or perimeter roads.

h. The CO may authorize special hunts in non-hunting areas of the Air Station.

#### 2. General Weapons/Firearms Regulations and Safety Precautions

a. Hunting aboard MCAS Beaufort is limited to shotguns of ten gauge or smaller bore, or archery (traditional bow, compound bow, air bow, or crossbow). The use of .410 gauge shotguns for deer hunting is not authorized. Shotgun slugs shall not be used for safety reasons due to the size of the Air Station. Buck shot number 3 up to and including number "000" are authorized for deer hunting. The use of any other hunting means such as rifles, black powder guns, air guns, nets, snares, or bait poisons is strictly prohibited.

b. No devices used to muffle or minimize the report shall be attached to a weapon or carried at any time. Hunters shall remain aware of noise hazards presented by the discharge of weapons and their surroundings at all times.

c. All personnel shall wear a vest of international orange colored material at all times while hunting, scouting, or accompanying another hunter. While hunting from an enclosed blind, hunters shall remove their vest and place it on top of/over the blind where it is clearly visible to other hunters.

d. All personal firearms/weapons will be transported in accordance with reference (e). Under no circumstances shall a firearm/weapon be transported or stored underneath a seat of a vehicle, or in a window rack openly visible from outside the vehicle.

e. Hunting and fishing knives, and like instruments, may be carried openly by a hunter while proceeding to hunting and fishing areas, while engaged in the sport, and when returning to quarters. Hunting and fishing knives shall not be routinely stored within a vehicle being operated aboard the Air Station.

### 3. Archery Hunting

a. Archery hunting for all legal game is permitted during the regular hunting season in all approved hunting areas only.

b. The minimum head width of arrows and rated pull will be in accordance with reference (a).

c. Poison, explosive, or barbed arrows are prohibited. A barbed arrow is defined as an arrow, which has points or barbs protruding in such a manner as to prevent the arrow from being removed from the point of penetration without tearing the flesh of the animal.

d. All arrows used for hunting on MCAS Beaufort will have the name of the owner clearly labeled on the shaft of the arrow.

e. Individuals engaged in archery hunting are prohibited from using or carrying firearms.

f. Areas 1-8, 9C, and 10B are reserved for archery hunting only.

### 4. Seasons and Limits

a. Open seasons and bag limits are established by reference (a) and applicable Federal regulations.

b. The issuance of deer tags will be the responsibility of the Duty Game Warden and/or the PMO. State issued deer tags shall not be used aboard the Air Station.

c. Hunting bear, duck, or turkey is not permitted.

d. Hunting coyotes is authorized from 15 September to 1 March annually.

e. Hunting seasons and bag limits may be modified by the Game Warden at any time within boundaries of State regulations.

5. Deer Hunting. Deer may only be taken by shotgun and archery hunting, subject to the following special regulations:

- a. Two deer total may be harvested daily by any individual hunter.
- b. Harvesting spotted deer (fawns) is prohibited.
- c. No deer shall be harvested while within the water or when the hunter is aboard a floating vessel.
- d. Field dressing is prohibited. The cleaning/disposal site is located southwest of the saltwater fishing pier, at the intersection of Sunset Rd and LaFrene Rd (southwest of Area 4). Rules regarding use of the site are posted at the site and failure to adhere to the rules will result in site closure and possible administrative action. All deer harvested aboard the Air Station must have weight and sex recorded prior to cleaning. One-half of each deer lower jaw bone will be removed and turned over to the Game Warden for storage and release to the South Carolina State Biologist's Office at the conclusion of the hunting season. Occasionally hunters may be required to surrender parts of deer to state game biologists for scientific study.

6. Harvest Report. All individual hunters shall initiate a harvest report (Appendix F) when checking in with the Duty Game Warden or the PMO Desk Sergeant after concluding each hunt. Harvest reports shall be completed within one week of game being harvested.

## Chapter 4

Hunting at Laurel Bay

1. Guidelines The following guidelines establish regulations for the Laurel Bay Housing Area Hunting Program. Safety is paramount in all aspects of this program.

2. Applying to Hunt. Hunting aboard the Laurel Bay Housing Area will be conducted on a lottery draw system.

a. There will be three hunts for the hunting season on the first Saturday of October, November, and December.

b. The first two hunts (October and November) will be for active duty Marines only and the December hunt will be open for anyone authorized to hunt aboard the Air Station per reference (d).

c. Hunts may be applied for as a single individual or as a pair (two people drawn for the same area).

3. Hunting Areas

a. Hunting areas are broken down into numbered areas, marked with orange paint, and range from 12 to 25 acres.

b. Upon entering an area, hunters may not cross lines into another area.

c. If a hunter shoots a deer and it runs into another area, they must wait until the hunt is over before tracking.

d. No hunting or trespassing is authorized within the 50 yard safety zones around buildings and structures, to include houses or inhabited areas.

e. Hunters may hunt any portion of the drawn area as long as they remain 40 yards from the area boundary.

4. Scouting and Hunting

a. Scouting is allowed on the Saturday one week prior to your hunt. All personnel are required to check in and out with the Provost Marshall's Office when scouting.

b. Hunting shall be conducted on the day assigned (no swapping) from one hour before official sunrise until 1000 hours and from 1300 until one hour after official sunset.

c. Hunters must check in and out at the check station upon arrival and prior to departure. All harvested game must be brought to the check station at the conclusion of the hunt.

d. A map will be posted on the wall of the check station with defined hunting areas. Cognizance of each hunter's assigned area is paramount to ensure there is no encroachment on another area and that authorities know where to look if a hunter does not return to the check station.

e. Hunters will be allowed to return and track a wounded deer only after they have checked in with the check station. If a deer is wounded further

from an open road, the hunt supervisor will help search for it and/or assist in retrieving it.

f. Harassing other hunters in adjacent areas or any persons aboard the Housing Area will not be tolerated. Hunters will be removed from the hunt immediately.

g. All equipment, trash, and litter must be removed from the hunt area at the conclusion of the hunt.

## 5. Authorized Methods

a. Compound bows are the only authorized weapons to hunt with aboard the Laurel Bay Housing Area.

b. Ensure weapons are zeroed and in good working order.

c. Hunters must pass a proficiency test prior to hunting at a time and date to be determined by the Station Game Warden prior to the hunt.

d. Baiting is not authorized (no food products i.e. salt/mineral blocks, corn, apples, etc.); this does not limit the use of lures to attract deer.

6. Hunting Limit. Two deer may be harvested per hunt, only one of which can be a legal antlered buck. There is no limit on coyotes.

a. A buck must have one point at least two inches in length.

b. Buck fawns (button bucks) do not count as a buck; hunters are asked to avoid shooting them to keep their harvest to a minimum.

c. Deer and coyotes are the only authorized game to harvest; fox, bobcat, reptiles, amphibians, etc. are present and shall not be harmed.

## 7. Safety

a. All hunters shall wear a coat or vest of international orange at all times throughout the duration of the hunt.

b. All bows will be cased when traveling to/from hunting areas.

c. Hunting must take place from an elevated position at least 10 feet off of the ground. This can be from a climbing stand, lock-on stand, or ladder stand. Stands must be carried in and out on the day of the hunt; stands shall not be erected prior to the hunt. Safety harness must be worn.

d. Vehicles parked at the area shall have the attached vehicle pass in plain view on the dash. Vehicles will be specified on the hunt application and will be annotated on the vehicle pass.

e. Vehicular travel is only authorized on paved roads. All-terrain vehicles are not authorized. A fire line or woods trail is not a road; do not drive into the hunting areas.

f. Positively identify targets before shooting and take only safe, sure, and accurate shots. Do not take long shots, shots at obscured animals, or shots when it is too dark to determine an animal's age or gender. Only shoot when a clean kill is anticipated.

g. There are venomous snakes, fire ants, mosquitos, and other stinging insects indigenous the local area. Remain alert, watch where you step/grab, and bring insect repellant.

h. For health problems or any other condition which might limit a hunter's ability to hunt, please notify the hunt supervisor so they can assist with accommodations.

i. Hunters are reminded that safety is everyone's responsibility; each hunter will be held accountable for their individual actions that affect others during the hunt.

8. All rules and regulations listed within the references apply to this Order.

## Chapter 5

### Fishing

1. Freshwater. The use of freshwater ponds aboard the Air Station is governed by the following regulations:

a. Swimming and wading are prohibited in freshwater ponds.

b. Boats less than 18 feet in length are authorized with the following guidelines:

(1) Shall be equipped with at least one oar per vessel and one life preserver or Coast Guard approved personal flotation device (PFD) per occupant.

(2) Boats equipped with gasoline motors are not authorized.

(3) Inflatable crafts and belly boats are prohibited.

c. Live fish shall not be used as bait and possession of live fish in areas adjacent to ponds is strictly prohibited. This includes minnows, crappie, shiners, etc.

d. No firearms, pellet guns, air guns, bows, crossbows, arrows or other weapons are permitted on or around ponds.

e. Open fires are prohibited without written approval from the fire department. Portable grills are authorized for picnics in the immediate vicinity of ponds.

f. Fishing is permitted with a two rod or pole limit per person in accordance with reference (b). Nets, seines, and trot lines are prohibited.

g. All fish caught in ponds aboard the Air Station are strictly catch-and-release.

h. Fishing in base ponds is authorized half an hour before sunrise and half an hour after sunset.

2. Saltwater. The following regulations pertaining to size, limit, equipment, and methods of taking saltwater fish, crabs, and shrimp coincide with reference (b) and are enforced aboard the Air Station. These regulations apply to the Air Station Marina, Laurel Bay Boat Ramp, Shady Point Picnic Area, and all piers aboard the Installation. The Fuel Pier is not an authorized fishing or shrimping area.

a. Shrimping is authorized with hoop or cast nets. Baiting for shrimp within 50 yards of a fixed structure or from a fixed structure is prohibited. Properly licensed personnel are permitted to bait for shrimp from the shore or from a boat.

b. Gigging is authorized in accordance with reference (b).

c. Crab pots are limited to two pots per licensed person, crab baskets

are limited to three per licensed person. Non-licensed minors do not authorize the licensed adult extra pots or baskets. Crab pots shall not be left unattended. Crabs less than five inches, measured from tip of point across the back of the shell, shall be returned to the water immediately. Female crabs bearing eggs from which the egg pouch has been removed may not be kept and must be returned to the water immediately. One claw may be taken from stone crabs prior to immediately being returned to the water, so long as one claw remains.

d. Catches are not authorized to be sold or bartered.

e. Saltwater fishing is authorized at all hours aboard the Installation.

3. Boat Ramps and Docks. All personnel shall adhere to safety rules regarding boat ramps and docks. All children ages 12 and under are required to wear life jackets while on or near all boat ramps, docks, and remain under parental supervision.

## Chapter 6

### Boating

#### 1. Boating

a. All boating in waters under the jurisdiction of the CO shall be in accordance with reference (b). Individuals are considered to be boating when operating boats in any waters under the jurisdiction of the CO, to include the use of launching and docking facilities and/or the use of any land or excursion there from.

b. South Carolina adopted the U.S. Coast Guard navigation rules concerning boating safety. All personnel are encouraged to take a boating safety course sponsored by the U.S. Coast Guard Auxiliary prior to partaking in boating activities.

2. Registration of Boats. All vessels with propulsion machinery installed or attached must be registered. Vessels having valid registrations from other states may use South Carolina waters for 90 consecutive days before requiring registration in South Carolina.

3. Equipment Requirement for Boats. Per reference (g) and the following apply:

a. Under 16 feet:

(1) Coast Guard approved PFD, type I, II, III, or V, for each person aboard with proper fit and serviceability.

(2) Valid South Carolina registration.

(3) Navigation lights between sunset and sunrise.

(4) Horn or whistle.

(5) One fire extinguisher and a working ventilation system is required if equipped with enclosed fuel tanks or inboard engine(s).

b. Over 16 feet, but under 26 feet:

(1) All requirements set forth in paragraph 3.a. of this chapter.

(2) Type V PFDs may not be substituted on children weighing less than 90lbs.

c. Over 26 feet, but under 65 feet, see reference (b).

**APPENDIX A**

**VIOLATION CODES**

1. Enforcement Procedures. Violators will have all hunting and fishing privileges suspended aboard MCAS Beaufort and the Laurel Bay Housing Area until cited violations have been adjudicated.

a. Referral to State or Federal Law Enforcement Authorities. In cases where administrative sanctions do not adequately address the serious nature of the misconduct, violations may be reported to State and Federal law enforcement authorities for possible criminal prosecution in State or Federal court. It will be at the discretion of the Game Warden as whether to make an arrest or to address a violation administratively.

b. Other. Hunting/fishing violations committed by civilians or guests not affiliated with MCAS Beaufort will be cited by means of a DD Form 1805 violation notice. Violators may have to appear in Federal Magistrate Court and/or pay a fine. Violations of State and/or Federal regulations related to hunting and fishing occurring on MCAS Beaufort or the Laurel Bay Housing Area shall be processed by the Game Warden as follows:

<u>Code</u>	<u>Violation</u>	<u>First Offense</u>	<u>Second Offense</u>	<u>Third Offense</u>
(1)	Taking threatened or endangered species	Revoke	N/A	N/A
(2)	Taking protected birds or animals	Revoke	N/A	N/A
(3)	Taking deer with aid of artificial light	Revoke	N/A	N/A
(4)	Taking wild turkey	Revoke	N/A	N/A
(5)	Taking wild birds by placement of salt, grain, fruit, or other food (baiting for game)	Revoke	N/A	N/A
(6)	Hunting out of season	Revoke	N/A	N/A
(7)	Unlawfully taking birds or animals by the use of traps, nets, snares or other prohibited device	Revoke	N/A	N/A
(8)	Hunting while under the influence of any intoxicating beverage or narcotic drug	Revoke	N/A	N/A
(9)	Hunting while under suspension for violation of any hunting regulation	Revoke	N/A	N/A

<u>Code</u>	<u>Violation</u>	<u>First Offense</u>	<u>Second Offense</u>	<u>Third Offense</u>
(10)	Unlawfully buying, selling bartering, or offering to sell game	Revoke	N/A	N/A
(11)	Shooting signs or other Government property	Revoke	N/A	N/A
(12)	Hunting without a State hunting license/big game permit	Revoke	N/A	N/A
(13)	Hunting without obtaining an Air Station hunting permit	Revoke	N/A	N/A
(14)	Unauthorized taking of fish with drugs, chemicals, or poisoned bait	Revoke	N/A	N/A
(15)	Taking fish with explosives	Revoke	N/A	N/A
(16)	Taking of freshwater game fish with nets or traps	Revoke	N/A	N/A
(17)	Introducing any species of exotic fish into Air Station ponds	Revoke	N/A	N/A
(18)	Deliberately introducing any physical or chemical pollutant into any Air Station pond	Revoke	N/A	N/A
(19)	Buying or selling gamefish	Revoke	N/A	N/A
(20)	Firing any firearm into or near Air Station ponds	Revoke	N/A	N/A
(21)	Possessing or transporting loaded firearms in vehicle	Suspend 6 months	Revoke	N/A
(22)	Hunting in closed or unauthorized areas	Suspend 6 months	Revoke	N/A
(23)	Littering	Suspend 6 months	Revoke	N/A
(24)	Failure to check-out area pass prior to hunting	Suspend 6 months	Revoke	N/A
(25)	Baiting for shrimp out of season or without a license	Suspend 6 months	Revoke	N/A

<u>Code</u>	<u>Violation</u>	<u>First Offense</u>	<u>Second Offense</u>	<u>Third Offense</u>
(26)	Fishing without a State freshwater fishing license	Suspend 3 months	Revoke	N/A
(27)	Failure to wear inter- national orange	Suspend 3 months	Suspend 6 months	Revoke
(28)	Failure to check in area pass one hour after sunset	Suspend 3 months	Suspend 6 months	Revoke
(29)	Exceeding the daily possession limit	Suspend 3 months	Suspend 6 months	Revoke
(30)	Fishing with live bait (excluding worms, crickets, mudpuppies, etc.)	Suspend 3 months	Suspend 6 months	Revoke
(31)	Taking freshwater game with spears, harpoons, gigs or bow and arrow	Suspend 3 months	Suspend 6 months	Revoke
(32)	Possession of undersize fish or crabs (salt or freshwater)	Suspend 3 months	Suspend 6 months	Revoke
(33)	Exceeding catch limit on fish (salt or freshwater)	Suspend 3 months	Suspend 6 months	Revoke
(34)	Violation of any other fishing regulations not specifically listed above	Suspend 3 months	Suspend 6 months	Revoke
(35)	Violation of any other hunting regulation of this Order not specifically listed above	Suspend 3 months	Suspend 6 months	Revoke
(36)	Fishing with trot lines or set hooks in freshwater	Suspend 1 month	Suspend 3 months	Revoke
(37)	Grabbing for game fish	Suspend 1 month	Suspend 3 months	Revoke
(38)	Driving in an Unauthorized Area: i.e. food plot, marsh, or any off-road area	Traffic Court	Traffic Court	Traffic Court

I hereby certify that I have read and understand the provisions of ASO P1700.2F, which pertain to the rules and regulations for hunting and fishing aboard MCAS Beaufort and Laurel Bay, South Carolina. I understand that all firearms/weapons I bring on to MCAS Beaufort or Laurel Bay must be registered with the Pass and Identification Office, and when not secured within the trunk of my vehicle, contained within the appropriate case. I further understand all firearms will be transported unloaded with the action open.

**APPENDIX C**

**CERTIFICATE OF RELEASE OF THE GOVERNMENT**

Date: \_\_\_\_\_

1. In consideration for permission granted to me to enter upon the United States Marine Corps Air Station Beaufort, South Carolina and the Laurel Bay Housing Area, Beaufort, South Carolina to engage in hunting, fishing, or boating the undersigned, \_\_\_\_\_, does hereby agree as follows:

a. I will indemnify and hold harmless the United States Government, including all its subdivisions, its officers, agents, military personnel, and employees from all liability under the Federal Torts Claims Act (28 U. S. C. Section 1346(b), 267 et seq.) or otherwise, for death or injury to all persons, or loss or damage to the property of all persons resulting from any use of the premises.

b. I hereby waive any and all claims from injuries which may be suffered by me in the course of such use of Federal property, including but not limited to any injury suffered by reason of accidental shooting by others, and/or by accidental discharge of firearms, explosives, etc., which may be caused by the negligence or fault of any other person, whether employed by the Federal Government or not, or any other injury, of any nature whatsoever, which may be suffered by me while on Marine Corps Air Station Beaufort, South Carolina, and/or Laurel Bay Housing Area, Beaufort, South Carolina as a result of the permission which is cited herein above.
