

Create or Request MarineNet Account

- 1) Open up your internet browser to <https://www.marinenet.usmc.mil>
- 2) Click the "Sign Up for a New MarineNet Account" link on the Login Page.

LOGIN

LOGIN

In order to login with your CAC, you must close your browser and restart the MarineNet web site.

MarineNet Login with "Sign Up for a MarineNet Account" Link

3) When the Create Account form opens, enter your Social Security #, First Name, Middle Initial, Last Name, and Date of Birth. Place a check in the "Create account using CAC" box, if it applies. Click the "Next" button. The system will reach out to the authenticating sources to see if your info is found, in which case your account is created and logged in (see Step 3.a.). If your info is not found, you must complete the Account Request form (see Step 3.b.).

Account Request Form

Note: When the user selects a country other than the United States, the form's address fields change dynamically, based on country usage.

3.b.i.) After you complete the form and click the "Submit" button, a message stating that your request was successfully submitted displays. The message also contains further information about the request (see below). This same information will be sent to the email address provided on the form.

ACCOUNT REQUEST

Your request for a MarineNet account was successfully submitted. Please allow 3 to 5 business days for action.

A confirmation will be sent to the email address you provided.

Success Message

3.b.ii.) It takes 3 to 5 days to process a new User Account Request. Once it has been processed, you will receive an email with your Student ID, username, and temporary password.

3.b.iii.) At first login, you must change your password and provide a Security Question/Answer. See the following: [Provide a Security Q/A](#) and [Change your Password](#).
