Subj: PUBLIC HEALTH REVIEW COMPLETION

Dear Laurel Bay Residents:

The Navy and Marine Corps Public Health Center (NMCPHC) has completed the health review of MCRD Parris Island, MCAS Beaufort, and Laurel Bay. The health review report will be available on the web site at www.beaufort.marines.mil/Resources/Laurel-Bay-Health-Study/ beginning 4 October.

MCAS Beaufort will host an open house information forum at the Laurel Bay Youth Center on 11 and 12 October 2017 from 1700-2000 to provide information about the results and conduct of the health review. You are encouraged to attend and may come at any time during the hours of the open house. Subject matter experts from NMCPHC; South Carolina Department of Health and Environmental Control; MCRD Parris Island; and MCAS Beaufort will be available to answer questions. Child care will not be provided. Materials presented will be posted to the website.

You may contact the Public Affairs Office at 843-228-6229 or email laurelbayhealthstudy@usmc.mil to leave questions. Each will be answered promptly.

Sincerely,

D. L. WILSON
